Dear Bob

Collyer just called me to ask me to suggest to you that you might give him credit for the story on the left-hand page similar to the photo credit on the right-hand page. He suggested "prepared by Robert Collyer". I told him I'd write you.

He said he'd have the captions in the mail at about 6 today.

Apparently many of the pictures do not meet with his approval. In a manner I can explain to myself only by the excitement he has had this week he said "I am rejecting this", or things like that. However, you have all the pictures.

He has probably told you that he should have page proofs to submit. I don't know if there will be enough time for any changes, but anyway, I'm certain the text has been approved already.

Yours,

Harold
